Hand Surgery

Dear Parents, Coaches and Board Members:

I would like to first say that it has been a privilege and great honor to participate as the team physician for West Broward High School for over the last five years.

As The Director of Sports Medicine Associates of South Florida and as your community orthopaedic surgeon, it is my goal to provide the best possible care and treatment for your children and athletes. With the assistance of our athletic trainer, Ms. Nicole Figuerola, I would like you to know that we are personally committed to your school and will remain as a reliable resource for you and your athletes.

If I could ever be of any assistance to you personally and/or professionally, please do not ever hesitate to contact me through Ms. Nicole Figuerola at 305-815-3243 or through my office at 954-389-9178 (Attn.: Rene).

In the evenings and/or on weekends, you can reach me personally on my cellphone at 954-629-9012. Wishing you a very Happy and Healthy Holiday Season.

With Kindest Regards,

Al DeSimone, M.D.
Director of Sports Medicine
Board Certified Orthopaedic Surgeon
